

VRIS UPDATE

Student Records System (SRS) Registration Effective 2/5/2014 Number 380

SUMMARY OF UPDATES

The instructions for registering with the Student Records System (SRS) by a VR Transition Specialist upon the approval of a school or schools have been posted to VRIS. Registration and approval allows the VR Transition Specialist to access the MDT and IEP of students referred for Transition Services. Not all schools use the SRS and the approval process at individual schools may differ from the process outlined in the chapter.
